Chris, thanks for review. There may be some areas

See item 1 of my discussion points.

Do you have time today to review my "discussion points" that I proposed we send to HDR? Its only 2 pages. Also attached are my markup/bubble comments of HDRs technical approach and Heidi's spreadsheet. If you are tied up for a few days, I could forward to Heidi now to see how she would like to proceed.

My thought is we have a short call with HDR,
